## WELCOME TO BABA TRANSPORTS

We at BABA transports are committed to give quality & reliable transportation service for on-time delivery. Within a short span of time, we have emerged as renewed road transporter in India's logistics industry.

### VISION

To become a benchmarking company in the business and be known for pioneering solutions in logistics across India.

### MISSION

To demonstrate excellent expertise and customer centricity through our resourcefulness and technology.

### VALUES

- Trust
- Integrity
- On time Delivery
- Team Spirit
- Respect for Individual
- Passion for Excellence
- Transparency

**BABA Transports** is one of the growing popular transport company that has gained immense expertise in offering Road transport service through trucks. We are located in **Coimbatore, Chennai, Sankari** and **Udumalpet** and providing road transport service by truck to our clients across India.

**BABA Transports** was founded by the **Late Shri Nataraj Murugan**, a native of Coimbatore who had more than 25 years of expertise in the industry of goods transportation. After his gloomy demise, it was a crucial and challenging opportunity for **Ms. Shobana Nataraj**, D/o Late Shri Nataraj Murugan, to take over the business in 2016 as our **Operations head** and running it successfully.

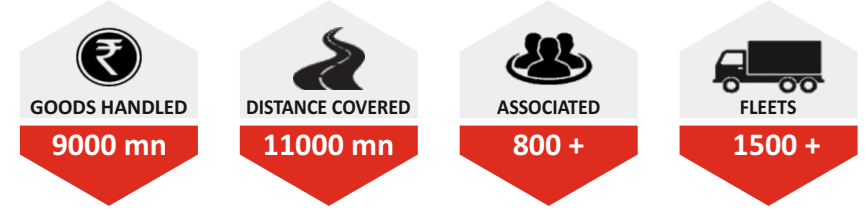

We are resolved to keep up the exclusive requirement of client benefit that fabricated our business in the course of recent years. Apart from traditional means of communication, we offer **internet based administrations** enabling customers to acquire rate, arrange pickups, and track their cargo over the phone/WhatsApp.

We are more than a decade presence in this field and have a great expertise in dealing. We are well-known for offering **cost-effective logistics solutions and quality assurance**.

Our primary and secondary objective is customer satisfaction and our team takes care of the demand of our customers and always ready to fulfill the requirements of clients. **We offer timely delivery services which make us the best and reliable transporter in the locality.**

We provide Road Transport Services, Road Freight Forwarding, and Truck Transportation Services at the best level right from **9T - 55T loading capacity**. As a value addition, we also provide transit insurance service on our clientele request.
